Subject: FW: Georgetown Bulk Service Agreement Docket No. 2012-383-WS

Dear Mr. Butler:

The parties met on Tuesday, October 8, 2013, to discuss a specific proposal by the Applicant to resolve the issues in the docket. As a result of these discussions, and feedback from the ORS, the parties are now close to agreement on an overall approach to resolving this matter. However, some details remain to be worked out. The Applicant would request some additional time to develop a proposal to address the ORS's concerns.

Therefore, I can inform the Commission that the parties have taken concrete steps to resolve the issues in the docket. In light of this progress, the Applicant requests an additional week in which to resolve the matter and will provide a status report October 18, 2013, if the Commission is agreeable.

As always, I appreciate the courtesies shown to my client and me by the Commission.
